

Princess Diana - A Meteor that Lives in Our Hearts

Princess Diana's tragic death shocked the world. The beautiful Princess had a short life like a meteor in the dark sky. Do the stars in Chinese Astrology tell us something? Could she have escaped the accident had she known what the stars say?

I would like to point out some characteristics of this chart before going to study the year 1997.

Life Palace : The major stars are the Sun (Transformed to Authority) and the Blessing Star. She is generous and loving at heart like the Sun giving people warmth and light. The fact that the Sun has transformed into the Star of Authority indicates that she is capable of giving out her love and care to less fortunate people.

The special combination of the Sun, the Blessing Star, the Intellect Star and the Star of Abundance indicates that she had the potential to do well academically. The fact that the Intellect Star has transformed into the Star of Annoyance deprived her of pursuing a higher education. Since the Intelligence Star has transformed into the Star of Fame she would have spectacular achievement in society.

Marriage Palace : The major stars are the Lucky Star and the Gloomy Star transforming into Prosperity. These stars alone require that she must take someone at least eight years older to be her husband. Prince Charles is actually more than twelve years older than Princess Diana. If we consider the stars in the related palaces as well, we find that we have all the four transformed stars in the collection. The marriage will bring her fame, power and fortune but also much annoyance. Nothing can describe this marriage better. It is a marriage that attracts the world's attention. She became a world famous princess but the marriage is doomed to fail.

Lucky Star and Blessing Star : These two stars, despite the names, have an adverse effect on marriage. If the two stars come together in the house of marriage it is likely to end up with a divorce. If one of them is in the House of Marriage, as time goes by, the chart rotates and find the other star in the current Marriage Palace, divorce is also probable. Unfortunately the Lucky Star is in the original Marriage Palace and in the ten-year period 1986 - 1995 the Blessing Star is in the current Marriage Palace. (See Chart.)

Chart for 10 Year Luck Period (1986-1995)

| Travel (10,6) | Health (1,7) | Wealth (2,8) | Children (3,9) |
|--|--|---|--|
| Moon Romance Worrisome | Flirting (<i>Authority</i>) Angel I Deputy II <i>Abundance</i> | Lucky Gloomy (Prosperity) Siren <i>Troublesome</i> | Finance (<i>Properity</i>) Minister Worrisome Deputy I Calamity Birth |
| Friends (9,5) | | | Marriage (4,10) |
| Wickedness Treasury | | | Sun (Authority) Blessing (<i>Fame</i>) Abundance |
| Career (8,4) | | | Brothers (5,11) |
| | | | Power Troublesome |
| Properties (7,3) | Happiness (8,2) | Parents (7,1) | Life (6,12) 1986-1995 |
| Ruinous Angel II Misfortune Wedding | Stern Intellect (Annoyance) Intelligence (Fame, <i>Annoyance</i>) | Emperor Fiery | Mercy Pegasus |

During these ten years we notice the following characteristics:

Life : The Star of Mercy is unstable and mobile. Coupled with the dynamic Pegasus she would be traveling a lot during these ten years. Is she happy? In the Happiness Palace the Intelligence Star changed from Fame to Annoyance. This star takes care of emotion and sentiment. She must have been deeply hurt in love.

Marriage : The Blessing Star has transformed into Fame. This indicates she has an affair outside her marriage. The Lucky Star in her original House of Marriage now meets the Blessing Star in the current House of Marriage. The romantic affair is the catalyst that ignites the separation and divorce. If the stars in related houses are taken into consideration everything will be confirmed. There are two Stars of Annoyance (Intellect and Intelligence). There is the Star of Romance and the Worrisome Star.

The Tragic Death

From this chart we can see that the Life Palace is bombarded by a series of evil stars. These stars mainly attack from the Travel Palace. They are:

1. Lucky Star transforming into Annoyance due to the decade 1996-2005.
2. Gloomy Star transforming into Annoyance due to the year 1997.
3. The Worrisome Star due to the ten-year period and the Troublesome Star due to the year 1997. Such a combination is extremely evil. The "Zi Wei Dou Shu Handbook" says that in such a situation it is not easy to escape from the Phantom of Death. This being in the Travel Palace the cause of death is most probably a traffic accident.

The Wealth Palace and the Career Palace are quite fortunate indicating that she is having a good time after the divorce. There is no star in the Happiness Palace and those from the opposite palace will be taken.

She is in fact quite happy this year. If she knew she might have a traffic accident this year and stayed at home, the tragedy could have been avoided.

Which is the most dangerous month? The first moon (Feb. 7 - Mar. 8) starts at the Travel Palace (2,8) and goes clockwise. The first moon is a dangerous month but the danger is not travel related. The seventh moon (Aug. 3 - Sep. 1) is most dangerous because the monthly Life Palace coincides with that of the year 1997. In fact, the accident occurred on the second last day of the dangerous period. It was the twenty-ninth day of the seventh moon. On that day the daily Life Palace has gone to the Career Palace (10,6) with the Happiness Palace at (2,8) where the evil stars cluster. The accident has occurred. Can she survive? The answer is quite clear. The Happiness Palace determines whether she can or she cannot. The accident occurred on the day with so many evil stars attacking her current Happiness Palace the chance of survival is almost zero.

Joseph Yu B.Sc. 余若愚 was born during the second world war in a small village in South China. He spent his childhood as a country boy and did not receive any formal education until he came to Hong Kong at the age of eleven. A lot of people suggest to him that he should create a story of learning Astrology and Feng Shui in early childhood from a monk as do many a famous Feng Shui Master. He prefers to tell the truth.

Yu studied Mathematics and Physics in the University of Hong Kong in the early 1960's. He abhorred all kinds of superstition and vowed to destroy such absurd beliefs of ignorant people. He then frequented libraries, trying to find fault with Astrology and Feng Shui from ancient books. The deeper he went into the subject, the more excited he became about the rich legacy of ancient Chinese culture.

Whether or not to become a professional astrologer and geomancer or continue in the fields of mathematics and physics, became a constant dilemma. Astrology and Feng Shui have been viewed as superstition by their skeptics. Astrologers and Feng Shui masters have been linked with fraud for centuries.

Someone wrote in his book, "If more knowledgeable men provide true Astrology and Feng Shui services, the ignorant and fake 'professionals' will vanish." Sharing the same view, Yu decided to provide useful services and correspondence courses at an affordable price.

While Joseph Yu was a mathematics teacher after his graduation, he was lucky to have as his neighbor one old Feng Shui master. This old master was very kind to disclose a lot of secrets of the five arts to him even though he was not one of the old master's apprentices.

In one Chinese New Year party at the old master's home, the master said to his disciples, "This young man, though not officially under my care, has learned more than most of you because he has a logical mind and dares to argue with me on various issues."

The old master passed away a few months later. Joseph Yu did not feel comfortable in the company of the disciples of this good master. He is grateful, but circumstances make it impossible to express his gratitude towards the master who passed on to him a lot of invaluable knowledge.
